Dear Metka,

The ENQA-VET General Assembly is a vital part of the work of the Network and provides the ideal opportunity to share experiences, and to learn from each other.

The General Assembly which took place in Ljubljana on 26th – 27th March 2009 provided the opportunity for all members to discuss the progress on the implementation of the Work Programme 2008-2009 at a policy level, and to commence the process of reflecting on the next work programme in a united and inclusive manner.

On behalf of the Board and members of ENQA-VET I would like to thank you for hosting the General Assembly and to thank your colleagues for the excellent work and preparation that went into making the General Assembly such a success. The Ministry was an ideal venue and satisfied all our requirements to host a successful meeting.

As with any event the venue is only one part of the meeting. The Network is dependant on the Member States to host our events and it makes the job of the Secretariat easier when we are dealing with a host of the calibre of our colleagues in Ljubljana.

Yours sincerely

Sean Feerick
Director
